Gary,

Attached is the profile for FT21S012-2.4.29S. LeRoy just copied you on the data set however if you need me to resend it please let me know. Please sign and return and we'll get this over to Demita ASAP. I talked to her late last week about this tank. She said it should be able to be approved quickly but she needed a new profile to make that happen. Let me know if you have any questions.

Thanks,

Beth Crawford
